■ Northwest Suburbanites credit this "delightful, if noisy, family Italian" for a "steady" kitchen that dishes up "huge portions" of "terrific food" like its signature bowtie pasta with vodka sauce, a "great bottomless salad bowl" and, as the name suggests, pizza; "good service", a "casual" vibe and "comfortable decor" with movie posters on the walls make it a popular "local place."

Congratulations!

Your customers have rated your restaurant one of the best in the area in one of our recently published *Zagat Survey Restaurant Guides*. In recognition of your property's Food rating of 20 or above, we are pleased to present you with a certificate featuring your review. We have also enclosed a Zagat decal indicating your inclusion in the guide. We hope you will proudly display these awards in a prominent location in your restaurant in recognition of this significant accomplishment.

As you may know, as part of our survey process we solicit the opinions of hundreds of thousands of diners every year. The resulting ratings and comments are the basis for our best-selling guides covering 120 markets worldwide. Thus, your customers are really bestowing this award on you.

Please note that we do not sell any awards to establishments we rate and that the enclosed certificate and decal are the only awards given out by Zagat Survey. If you have been solicited to purchase a Zagat Survey award or plaque, it was not authorized by us.

Again, congratulations. We trust you will take pride in the knowledge that your patrons appreciate your hard work in creating a superior dining experience.

Sincerely,

Nina and Tim Zagat

P.S. The dimensions of the certificate are 8½ x 11 inches – perfect for framing.
